The Altamont Cruisers Car Club requests your support of the Annual Nostalgia Day Car Show.

This fundraiser enables us to give greater support to local and community programs. The Altamont Cruisers Car Club has long been recognized for its community service by the City Councils and Police Departments of Livermore, Pleasanton and Dublin. Each year the show will fill the downtown streets of Livermore with over 700 classic car entries and well over 10,000 spectators. The Altamont Cruisers have donated almost \$1 million in funds raised over the past 30+ years with 100% of the net proceeds going directly back to our communities. We also give thanks to the generosity of our past sponsors. Below is a listing of some of the local organizations that have received financial support from the Altamont Cruisers:

Livermore and Granada High School Grad Nights and Bands, Livermore High School Sports Teams, Assistance League of Amador Valley, Livermore, Pleasanton and Dublin Police Departments including Dare, Crime Prevention, K-9, and Explore programs, Open Heart Kitchen, Night to Shine.

DONATIONS OF ITEMS FOR OUR RAFFLE:

Each year our raffle has proven to be extremely successful as a direct result of your donations. We would be very grateful for any and all items you wish to donate. In the past, we have received gifts for our raffle that include all types of car related items, jewelry, wine, gift baskets, sports memorabilia, admission to theme parks and movie theaters, gift certificates for various services and products such as restaurant meals, wine tastings, paintings, and many more too numerous to list. The gifts do not have to be car related as we try to raffle an assortment of gifts that will appeal to all ages and interests. We will be happy to pick up any items that you wish to donate.

If you have any questions, or wish additional information, call us at (925) 461-2020, or email us.

Please let us know by September 1st so that we can include your business name on our Thank You Board that will be on display during the car show.

Thank you in advance for your consideration and support!
