The Altamont Cruisers Car Club's motto is "Cruisers Against Drugs", and we mean it. The purpose of the club is to raise money for many worthy community causes, but our emphasis is on causes that benefit the young people of our community and help them avoid drugs.

We use our own interest in restoring, customizing and preserving classic cars that enables us to host an annual Car Show that has grown significantly every year. Our main fundraiser is the annual Nostalgia Day Car Show, which has allowed us to raise significant amounts of money that we have used to support worthy causes over the years.
